

Jack Sile's Aircraft collection for Sale

Phyllis Sile is having a clearout of Jack's model collection and would like to hear from any interested buyers.

Vic has very kindly taken a dozen photographs to give an indication of what is available for purchase by negotiation. In addition to what you can see in the pictures there are some part built models too. I can also see a Spitfire hanging from the ceiling!

Phyllis lives in Stowmarket and is happy to see interested potential buyers by arrangement.

You can contact Phyllis on 07498 511344
