

WRA 15 May 2022 - Ray Denne Photographs

Ray Denne, in addition to contributing to preparation, clear-ups and organisation, had very kindly offered to try to capture the action for us.

These are better quality copies of pictures so far selected from Ray's exhaustive contribution, focussing on the actual World Record Attempt.

Ron Gray, Flight Controller, retrieving with a grin...and a gun (?)

The picture that speaks a thousand words

(Most) of the flyers

Photographing the photographer

And then, the much earned BBQ, courtesy of Ron Spencer & Steve Braden

Would have won the flying skills comp, if there had been one

1st prize in the beauty contest (I hope to present a set of the entries)

2nd, with an extensive build blog in our 'Photo Reports' section of the website
