

WRA 15 May 2022 - Knettishall Site Preparation 11/4 - 12/5

4 Cleanup days during April and May, and for my sins I failed to take any photos on day 1. Plus just 2 scenic shots of the result of everyone's efforts on day 4. Apologies to Ron Gray and Ray Denne who put so much effort into prepping a picnic area!

With my apologies to those who evaded the lens:

A parting shot of a blue sky promise...
