

Family Fun Day, 10 September 2022, Knettishall - 1st Post

Another sign of better times

Hopefully you will have seen Vic's email on 19 August announcing this fun day.

It would be extremely helpful if you would respond to Vic and let him know if you plan to attend, with how many will be in your party.

We are just beginning to put this together and will add information as details settle.

Known at the moment:

-  It's a social event
-  Taking place at Knettishall, 10 September, 1000 - 1700
-  Drop in anytime with your family and friends
-  The factory gate will be open all day ([maps](#))
-  Burger van (burgers, sausages, veggie option) on site and provided by the club. Expecting this to include drinks
-  Free tea, coffee, squashes and water additionally available from the club hut
-  Loos on site
-  Flying, obviously
-  Accompanied buddy box experience flights
-  Hoping for some competitions, but if you have a chuck glider then definitely bring it along

Contacts:

Vic (vicblackwoodbmfc@gmail.com) if you are thinking of attending, preferably with the expected numbers in your party.
